

Hi! I'm Yaara

A SPEAKER, SINGER/SONGWRITER AND BIG BELIEVER IN YOUR SOUL'S UNIQUE MISSION.

I've been playing instruments and writing songs since I was six years old, and recently decided to take my life-long dream, and make it a reality.

I am married to my best friend, David, am a proud mother of six beautiful children, and currently live in Cleveland, Ohio.

My songs are the prayers of my soul.
Love songs to HaShem, and I can't wait to share them with you!

I give talks and perform for Jewish women and teens. I share my experiences, inspire with my songs and stories, and empower women to believe in themselves at a greater level.
